

**REMARKS**

Claims 1-19 are pending and at issue.

The Examiner has required restriction to one of the following two groups:

- I. Claims 1-3, drawn to an anode of a power generation cell,
- II. Claims 4-6, drawn to a first power generation cell,
- III. Claims 7-10, 13-15 and 19, drawn to a second power generation cell,
- IV. Claims 11-12 and 16-18, drawn to a third power generation cell.

Applicants elect **Group I** (i.e., claims 1-3) without traverse. Applicants retain the right at a later date to pursue prosecution of the unelected claim groups by filing one or more associated divisional applications.

Early and favorable action is courteously solicited.

Dated: August 23, 2010

Respectfully submitted,

By
